

TRUE BLUE PRO DEALER NETWORK APPLICATION

Instructions: Please submit to TrueBlue@pentair.com

- A digital copy of your True Blue application
- Company logo* (optional)
- Zip/postal code areas you sell and service Pentair products**

Your application will be reviewed by Pentair and a decision will be made regarding your acceptance within 5-7 business days after the application submission date.

To qualify for the True Blue PRO Dealer Network, dealers must sell and service majority of Pentair product brand lines: Autotrol, Fleck, Pentair, Pentek and Structural. Some exceptions may apply.

If you have questions about network conditions, please contact us at TrueBlue@pentair.com

***Answers require a "Yes" in order to join the True Blue PRO Dealer Network. Read Terms and Conditions and Channel Partner Brand Guidelines for more information. Pentair reserves the right to change the True Blue PRO Dealer Network and make determinations about program eligibility at any time.*

****Residential Water Softening Systems are typically defined as a system that uses under a 1.5" valve. System valves that are 1.5" or larger are typically considered as commercial water softening systems. If you sell or service a system that uses the Fleck 9100 Valve, please consider this as a commercial product.*
